KLAE CONSTRUCTION COMPLETED RENOVATIONS TO the ShopRite store in Mansfield, NJ for Ronetco Supermarkets Inc. The renovation project included an addition to the building for new produce coolers, a new entry/exit vestibule, new produce, floral, deli, and bakery departments and a new pharmacy and courtesy counter. A section of the roof was raised to add two new training rooms, restrooms, and an elevator. A new back room storage mezzanine was added, new employee's restrooms, and new loading dock levelers and doors.

The installation of a new refrigeration system included two new penthouse rooftop units to house the new equipment. The store received all new heating, cooling and ventilation systems throughout all areas. The sales area was fitted with a new ceiling and all new lighting. New shelving and décor compliment the renovated areas which provide customers with state of the art in product display and freshness in a comfortable and efficient shopping environment.
