KLAE CONSTRUCTION COMPLETED THE ADDITIONS AND renovations totaling 44,000 square feet to the clubhouse for Greenbrook Country Club in North Caldwell, N.J. The existing structure was completely stripped of all roofing, siding, windows, doors, wall, ceiling and floor finishes right down to the wood framing.

The new facility features a new porta cochere entry with arched ceiling, a large dining area capable of division into three separate rooms with the use of operable partitions, new expanded kitchen, new stone paved terrace with gazebo, new ladies locker room, tennis pro shop, lounge, bar, grille room and elevator. All the renovated areas received new plumbing, heating, air conditioning, lighting and fire sprinkler systems. The exterior includes new roof, siding, windows, and stone veneer.
