

Tri-County Lexus Service Center

Liyyle Falls, NJ

GC: Klæe Construction
Architect: Metsky Zuckerman Architecture

New construction

STARTING FROM A SELECT LIST OF BIDDING GENERAL Contractors, Tri-County Lexus accepted the proposal from Klæe Construction to build their new service facility on Route 46 in Little Falls, N.J. The new 14,000 square-foot steel frame and decorative concrete block structure is attached to an existing 5,000 square-foot sales and service building.

With room in the shop for fourteen service bays the new facility includes drive thru service write-up, two level parts storage, customer waiting area, customer parts counter, cashier office, service manager office, tech parts counter, and a 3,000 square-foot second floor area for tech lunch room and locker room.
