

# Project Profile: Retail

## ETD Headquarters

Englewood, NJ

Architect: Stephen V. Carrozza

Scope of Work: Renovation

Klae Construction was called upon once again by ETD, this time to renovate ETD's Headquarters in Englewood, NJ. The interior renovation included second floor offices, the customer lounge and restrooms, the showroom, and customer service areas. The exterior renovation included new stucco, brick face, precast façade, storefront aluminum and glass, canvas ownings, and brick paver sidewalks.
