

# Project Profile: Automotive

## Beyer Ford

Morristown, NJ

Architect: Bilow Garret Group Architects

Scope of Work: Renovation

Klae Construction completed this renovation and addition for Beyer Ford in Morristown, New Jersey. The construction included a new façade finish with aluminum and glass storefront which created a contemporary aesthetic for the automotive store. A 1,700 ft<sup>2</sup> service drive through was added for a more efficient workflow. There was 500 ft<sup>2</sup> addition for two new toilet rooms, and a total of 8,500 ft<sup>2</sup> of interior renovations.
