

Project Profile: Automotive

Towne Toyota

Architect: Mark S. Carelli Architect, LLC

Ledgewood, NJ

Klae Construction, Inc. completed a total conversion of the service drive through for Towne Toyota in 2017 and were called again to do a complete renovation of the existing Toyota dealership in Ledgewood, New Jersey. This renovation included:

- Exterior ACM panels and new entry portal in accordance with Toyota Image 2 program
- Addition to create new offices and allow for expansion of customer lounge
- Customer cafe and restrooms
- Carwash
- HVAC rooftop systems
- Service drive-thru including high speed overhead doors.
- Retail parts department
- Site improvements including a new parking lot entrance, curbing, paving and landscaping
- Expansion and improvements to the existing new car storage lot
