## Royal Buick GMC Renovation

In accordance with General Motors' new Buick GMC facility image program, Klæe Construction completed renovations to the Royal Buick GMC dealership on Route 23 North in Sussex, New Jersey.

The project included construction of a 1,900-square-foot addition for service drop-off and write-up, a new customer lounge, men's and women's bathrooms, employee copy and break room, technicians locker room, parts department, administrative offices, a complete showroom renovation and a new exterior façade that displays the iconic Buick GMC entry element.

The work was performed in phases, allowing normal operations to continue throughout construction.

# New Lakeland Bank Operations and Training Center

**H**aving successfully completed various projects in the past for Lakeland Bank of Oak Ridge, N.J., the bank again called upon Klæ Construction to convert a former supermarket on Berkshire Valley Road in Milton, N.J., into the bank's new Operations and Training Center.

The 25,000-square-foot space was renovated to include administrative offices, a conference room, training rooms, lunch room, bathrooms and a state-of-the-art computer room

with an uninterruptible power supply system. The large open floor plan features a Solatube Daylighting System to bring energy-saving natural light into the facility from the roof.

Lakeland Bank operates 46 offices throughout six counties in northwestern N.J., and is the third largest commercial bank headquartered in the state.
