Bellavia Chevrolet Buick Renovation

In accordance with General Motors' new Chevrolet facility image program, Klæe Construction has completed renovations to the Bellavia Chevrolet Buick dealership on Route 17 South in East Rutherford, New Jersey.

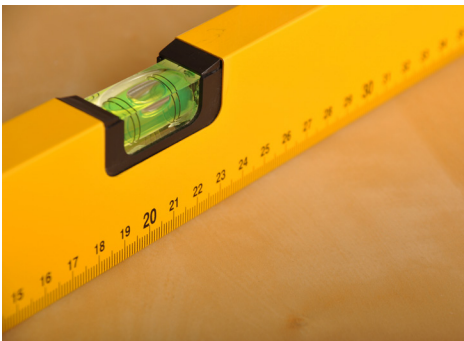

The work included construction of a 1,600-square-foot addition to expand the showroom and provide a new car delivery area. A complete interior remodel included new service drive-thru lanes, service writer's area, customer lounge, service manager's office, administrative offices, restrooms, finance offices, conference room and vehicle showroom. The exterior was treated to a new

façade with the addition of the iconic Chevrolet entry element.

Through careful scheduling and the use of temporary protections, the work was completed in phases, allowing normal operations throughout the construction process.

Gearhart Chevrolet Renovations

Upon completion of work on a smaller building on site that served as a temporary sales and service write-up facility, Klæ Construction performed renovations to the Gearhart Chevrolet dealership on Route 46 East in Denville, New Jersey. The scope of work included new restrooms, customer lounge, business center, sales offices, service write-up, retail parts, administrative and executive offices, vehicle showroom and an upgraded façade featuring the famous Chevrolet icon. All mechanical systems were upgraded and relocated to the mezzanine level.
