## Clubhouse Renovations for Montclair Golf Club

**K**læe Construction has completed the clubhouse renovation and addition at Montclair Golf Club on Prospect Avenue in West Orange, N.J. The project included dining room and bar lounge additions, a new entrance vestibule with an elevator, a kitchen staff service elevator, expansion of a covered porch with a bluestone patio, a new handicap ramp at the main entrance and many new interior finishes, including wall coverings, flooring, ceilings and decorative trim work.

Among the key considerations in the club's selection of Klæe as the project's general contractor were Klæe's past performance in completing renovations for the club and our many years of experience in golf club construction and renovation.

Montclair Golf Club was founded in 1893 and is generally considered to be the 13th oldest golf club in America.
